

Proposed Outline Programme of Research for “Masters by Research” online Application MTU-Crawford College of Art & Design

To allow applicants to register as MTU Cork students as soon as possible after arrival, the Postgraduate Regulations allow postponing of the submission of a full research proposal as follows:

7.1.11 Applicants qualified for admission to the postgraduate research register who have properly completed all sections of the application form with the exception of an outline rather than a fully-specified research proposal may be pre-registered on the advice of the Head of Department and approval of the Dean of Graduate Studies, pending submission and approval of the completed research proposal, using the appropriate standard template, within a maximum period of three months for Masters by Research students and 6 months for doctoral students.
